Application Guidelines and Presentation Application (Free Theme/CFP/Graduate Student Session)

Application period

Saturday, February 1, 2025 - Wednesday, May 7, 2025

Number of presenters setting

15 in total

Presentation and Discussion Time

20 minutes for presentation + 20 minutes for Q&A = 40 minutes total

The Q&A for the presenters in the Graduate Student Session will include advice to help the presenters deepen their research. Please note, however, that there is a possibility that the presentation may be changed to a general member slot from among the graduate student members due to venue setup, etc. If the presenter is asked to make a change, the Program Committee will contact the presenter in advance.

In particular, the presentations at the Graduate Student Session will be attended by several of the Directors and Secretaries of JABA, and those who are close to having their presentations published in the Journal of Business Management will be recommended for the Paper Development Session at a later date. The goal is to deepen the research of the presenters, so we encourage graduate student members to apply.
